2008 SPECIAL NEW YEAR'S EDITION

## Happy New Year from Prince Hotels & Resorts

We would like to share our sincere appreciation for your continued support and wish you success and joy in the New Year.

Spring in Japan is beautiful with both plum and cherry blossoms in full bloom. We are also happy to tell you about the exciting things happening at our hotels.

## Enjoy Sakura at Kawana Hotel

Come to **Kawana Hotel** from January through April to enjoy the gorgeous *sakura* (cherry blossoms) in full bloom. Located on the edge of Izu peninsula, the resort has 70 years of history and a timeless tradition of elegance and unequalled service. Kawana Hotel offers two challenging golf courses with stunning ocean views. Magnificent Mt. Fuji serves as the dramatic backdrop for the hotel, attracting many celebrities and VIPs throughout the years.

In 1965, Laurance Rockefeller modeled Mauna Kea Beach Hotel on the Big Island of Hawaii after Kawana Hotel, which shares a similar reputation for elegance and tradition.

## WHAT'S NEW AT OUR HOTELS

### Grand Prince Hotel Kyoto

Cherry blossoms are blooming all throughout the property. Sightseeing is fast and easy when you use our "Welcome Counter," a complimentary luggage transfer service. With quick check-in and luggage drop-off at JR Kyoto station, you can head out to nearby Arashiyama and Maruyama Park to view the flowering sakura.

### Shinagawa Prince Hotel

Newly remodeled Double Room

Complimentary high-speed internet access is offered in all 672 double guest rooms in the Annex Tower and all newly renovated double rooms (35F - 37F) in the Main Tower. After being closed for renovations, Shinagawa's original tower, the East Tower, will re-open in April 2008.

### Grand Prince Hotel Hiroshima

After renovation and upgrades, Grand Prince Hotel Hiroshima offers both luxury and multi-functionality. With its prime location next to Seto Inland Sea National Park and Miyajima Island, the hotel is ideal for leisure travelers. The new spa, hot spring, upgraded rooms and family rooms create a destination perfect for total relaxation. More renovations are planned with completion expected by April 2008.
